The Shriners' Hospitals For Crippled Children

The dream of the Shriner has become a reality. Hospitals of fifty-bed capacity each are in actual operation in Shresport, La., The Twin Cities (St. Paul and Minneapolis) and San Francisco. A Mobile Unit, consisting of an Orthopedic Surgeon, Assistant Surgeon, Supervising Nurse and Brace Maker, has been working at Honolulu for the past twelve months and has discharged as cured, one hundred and thirteen Crippled Children.

Nearing completion are the buildings at St. Louis, costing \$500,000, and Portland, Oregon, estimated cost of \$300,000. The cost of hospitals in operation average \$300,000 each, so that the actual amount paid or contracted for is \$1,700,000.

By the simple expedient of assessing every Noble of the Mystic Shrine the small sum of Two Dollars per year, this organization of over 600,000 men has, in the short space of three years' made possible this service to the underprivileged Crippled child. Other Hospitals have been allocated to Montreal, Canada, Springfield, Mass., and Philadelphia, Pa. Others will probably be located within the year, at Roanoke, West Virginia, Denver or Salt Lake City.

The buildings are fireproof in construction, complete to the last word in Mechanical, Surgical and Orthopedic Devices, and are maintained solely by the Shrine without cost to the community in which they are located.

Every Noble has reason to be proud that he is a member of this great Order which has officially undertaken this humanitarian enterprise on behalf of the Crippled Child.

Patients of either sex, up to the age of fourteen years, whose ailments can be corrected or cured by Orthopedic Surgery, are accepted without regard to race, creed or color, the only restriction being that they are children of parents who are financially unable to meet the expense of treatment.

The Shriners' Hospital is the only One Hundred Per Cent Charitable Institution of its kind in North America.

It is hoped that year by year this wonderful enterprise may be extended, and eventually Hospitals will be established in all parts of the North American Continent.

CRIPPLE JOE'S BIG BROTHERS.

I used to get a heap o' jov jes watchin' children play.
But when the kids were all in school, there was no other way;
I had to make up playmates, an' games of every kind,
But I'd get awful lonesome—jes playing in my mind.

Some rainy days were long as weeks, 'n some as long as years,
Specially when I ketched Ma a hidin' burny tears,
But one day Doctor Bighov spied me, in my wheel chair;
He stopped and asked some questions, 'n he said: "Say, would you care,

My boy, to let me help you? Might hurt you jes' a mite;
I'll take you to our Hospital" 'N I piped up "Ar'right!
I'm game- I'll go. 'N, doctor, I won't cry,
Compared to living' on like this, a operation's pie!"

They took me to the Shriners' place, where boys and girls galore,
Kept "smilin' out" in bunches, a makin' room for more.
The sadness on the faces o' the children goin' in
Was paid for ten times over by the "outers" full moon grin.

They moved me off o' Limpin' Lane! And, oh boy, sav! It's so!
They made a whole-world playground for cured up Crippled Joe,
'N while the "Masons' Playground" to some may seem a sin,
Thank God they didn't play none when they took this cripple in.

WHAT IS THE SHRINE?

The Shrine, or to give the full title, The Ancient Arabic Order Nobles of The Mystic Shrine, is a fraternal society founded on good fellowship formed of red-blooded men who preferably walk on the sunny side of the street, who believe that a kindly act performed in behalf of a little child, a helpless invalid, or, an individual decrepit in years and worldly goods, is just as worthy as raising a monument; in short, an association of men who believe that "smiling your way through" is preferable to "grouching your way through."

While the Shrine is not a Masonic Institution, the prerequisite of membership requires that candidates be either 32nd Degree Ancient and Accepted Scottish Site Masons or York Rite Knight Templar Masons.

The Order officially exists only in Canada and the United States and was founded in New York City forty odd years ago, and has grown from a charter membership of less than a score of members to nearly 600,000.

The governing body is known as the Imperial Council and meets yearly to exact laws for the entire membership. The 1923 Council was held in Washington, D.C. The late President of the United States, Noble Warren G. Harding, was a member of the Order.

The red fez adorned with the Scimitar and Crescent is the official insignia of the Order, and the local organizations are known as Temples, designated by name. The Winnipeg organization is called **Khartum Temple**, commemorating that city so closely connected with the traditions of British History.

EVERY TASTE OF OUR CAKES

is a temptation for another. If you prefer layer cakes you'll find ours exquisite. If your taste inclines to any other sort you'll discover that all our cakes are equally good, which is something no home baker can guarantee. Try our cake for dessert or for any occasion where cake may be served. You'll find it better and far less expensive than baking one yourself.

Your Motoring Ally

--Winter or Summer

Next time—every time—turn in at an Imperial Red Ball Pump when you need a fresh supply of motor fuel.

You'll like the way Imperial Premier Gasoline snaps out starts on these cold days. And its smooth "pick up," its abundant power and long satisfactory mileage—these are essentially Imperial Premier qualities which make it an unequalled motor fuel in winter as in summer.

Imperial Premier Gasoline is sold by dealers, garages or service stations.

Imperial Oil Limited
